## RHEUMATISM AFTER HIS DAY'S OUTING

Hunting Trip On a Wet Day Brings Painful Results.

Once upon a time Charles Mullen, of Philadelphia, went gunning. It was a dismal rainy day, and long exposure to cold and wet brought on a severe attack of rheumatism. He was confined to his home.

A friend recommended Sloan's Liniment, citing his own case as evidence of its effectiveness. Mullen bought a bottle and applied it to his aching limbs. Soon improvement was noticed and he was able to return to business.

Mr. Mullen writes: "Since that experience I have never been without Sloan's Liniment in the medicine chest." You will find it soothes bruises, sprains, toothache and relieves lame back, neuralgia, in fact all external pains. At all druggists, 25c, 50c. and \$1.00 a bottle.

state service. He asks for the HIGHEST place first. In his fight for this place, he tells our people that the true and tried WILL KNOTT will HAND-CUFF THEM. He tells them that whiskey is backing one of the strongest temperance men our state has ever known—a man who has stood for temperance ever since his boyhood. He tells them that ROME is backing one of the strongest Baptists in our state. He tells them that RAILROADS are backing one of the best friends the common people ever had.

Are You a Democrat?

If so, will you vote for the DEMOCRATIC NOMINEE or will you vote for an independent who stated before hundreds of people in Live Oak and Lake City that if not elected in November, he would march to Tallahassee with an army of 10,000 men with white hands on their arms (a badge never used in history except as a Catholic badge) and TAKE THE GOVERNOR'S CHAIR?

If you are troubled with sour stomach you should eat slowly and masticate your food thoroughly, then take one of Chamberlain's Tablets immediately after supper. Obtainable everywhere.

DIXIE'S COTTON CROP.

Not Over 11,000,000 Bales, Says Georgia Commissioner.

In a bulletin issued by Commissioner of Agriculture J. D. Price, of Georgia, the commissioner declares that he is convinced that his estimate of the cotton crop in August is accurate, and that, if it errs at all, it does so in placing the figures too high. He does not think that this year's crop will exceed eleven million bales. He says that 90 per cent of the crop in south Georgia is gathered, and 80 to 85 per cent in the northern section of the state. His estimate for Georgia in August was 1,535,000 bales, and he feels confident this figure will not be exceeded.

The commissioner advises farmers to attend as much of the fairs now in progress in the state and to be held this fall as they conveniently can.

## HELP FOR WORKING WOMEN

Some Have to Keep on Until They Almost Drop. How Mrs. Conley Got Help.

Here is a letter from a woman who had to work, but was too weak and suffered too much to continue. How she regained health:—

Frankfort, Ky.—"I suffered so much with female weakness that I could not do my own work, had to hire it done. I heard so much about Lydia E. Pinkham's Vegetable Compound that I tried it. I took three bottles and I found it to be all you claim. Now I feel as well as ever I did and am able to do all my own work again. I recommend it to any woman suffering from female weakness. You may publish my letter if you wish."—Mrs. JAMES CONLEY, 516 St. Clair St., Frankfort, Ky.

No woman suffering from any form of female troubles should lose hope until she has given Lydia E. Pinkham's Vegetable Compound a fair trial.

This famous remedy, the medicinal ingredients of which are derived from native roots and herbs, has for forty years proved to be a most valuable tonic and invigorator of the female organism.

All women are invited to write to the Lydia E. Pinkham Medicine Co., Lynn, Mass., for special advice—it will be confidential.

From another state there comes a man who has never accomplished anything in his own state, and has done nothing but TALK since he came into this state. He says he "hasn't drawn a salary," and there is good reason. HE NEVER EARNED ONE. He has merely passed his hat for the hard-earned salaries of our people. He is unwilling to begin at the bottom of

## SOME FACTS TO COUNT AND TO RE-COUNT.

Who took the precaution to request the Attorney General to see that the ballot boxes were protected according to law, that they might be kept inviolate?

Was it Mr. Knott?

No! It was Mr. KNOTT.

He made this request before the contest began and in time for the ballots to be kept absolutely inviolate.

WHO WAS IT proposed that a RE-COUNT OF THE WHOLE STATE be made jointly by the two candidates, to save court expense and to ascertain an honest and an accurate count WHO WAS THE REAL CHOICE OF THE PEOPLE? IT WAS MR. KNOTT.

HE sent his lawyer to Mr. Catts' attorney with this proposition before starting the contest, and it was emphatically refused. This proposition was also expressed in the statement sent by Mr. Knott with the State Canvassing Board, before the opening of the contest, as follows:

"Desiring only what is rightfully mine, and wishing my opponent to have what is rightfully his, I will be willing and glad to enter into any fair and equitable arrangement, for determining finally and positively who is the lawful Nominee of the Primary election for the governorship, including the re-count of the ballots in any or ALL precincts where there is evidence of irregularities or any error, however honest and unintentional, which might serve to defeat the real choice of a majority of the legal voters."

Why Didn't Candidates for Other Offices Contest the Election?

Was there any more reason why there should have been more errors made in the count for Governor than in the count for other offices?

YES. For the reason that in the race for Governor there were FIVE CANDIDATES, and the counting of second-choice votes was the determining factor. In most other cases there were but TWO CANDIDATES, and of course no second-choice votes.

In other instances where there were more than two candidates, the man receiving the larger number of first-choice votes also received the larger number of second-choice votes, while in the race for Governor, Mr. Knott received nearly three second-choice votes to Mr. Catts' one. As most of the errors were made in the tabulation of second-choice votes, a correction of the same resulted in Mr. Knott overcoming the APPARENT LEAD of Mr. Catts.

As second-choice votes take the place of a second Primary, failure to count them would have been as unfair as failure to count votes cast in a Second Primary.

The efforts made by Mr. Catts' attorneys to prove that second-choice votes are unconstitutional was an unwarranted attack upon a fundamental principle of the law under which he claimed the nomination.

THE INDEPENDENT CANDIDATE and his spell-binders are telling the voters that he did not get 11 votes cast for him in Hamilton county. The man who saw the error REPORTED IT TO THE PROPER OFFICERS and the 11 votes were accredited to MR. CATTIS.

They are also telling that he has 60 votes in Tallahassee now, that haven't been counted. According to a signed statement from Hon. H. Clay Crawford, chairman of the canvassing board, Mr. Catts has 66 uncounted votes at Tallahassee and Mr. Knott has 88 uncounted votes there. Including Mr. Catts' 66 votes, and Mr. Knott's 88 uncounted votes, the lead which he already had over Mr. Catts gives Mr. Knott 41 majority.

The INDEPENDENT candidate has talked much about his CERTIFICATE. There is NO CERTIFICATE issued to any democratic nominee. He had a statement from the Secretary signifying that he was the nominee according to the first returns, which were later proved incorrect. Mr. Knott has a similar statement, which of course cancels the one issued to Mr. Catts. BUT NO CERTIFICATE was issued until October 7 and this was issued to the county commissioners for each democratic nominee to be placed on the ticket in the general election. There has been BUT ONE NAME CERTIFIED AS THE DEMOCRATIC NOMINEE FOR GOVERNOR, and that name is W. V. KNOTT.

Are You a Democrat?

THEN, You should vote for the DEMOCRATIC NOMINEE. THE MAN RECEIVING THE LARGER NUMBER OF VOTES IN THE JUNE PRIMARY WAS W. V. KNOTT AND HIS NAME IS the only name that has been certified as the DEMOCRATIC NOMINEE. ANY other names appearing on the ticket for Governor or will be there as Independents or nominees of some other party. If you vote for them, YOU ARE NO LONGER A DEMOCRAT.

The Courts.

The Independent candidate has severely criticised our courts, but he has been to COURT EVERY TIME MR. KNOTT HAS, and he hasn't refused any gains made for himself in the proceedings instituted by himself or by Mr. Knott.

His attorney on September 25th expressed his opinion of our Supreme Court as follows: "This case is the most fortunate that I have witnessed in sixteen years' practice, as it has served to prove to the people of Florida the PERFECTNESS OF OUR JUDICIAL MACHINERY. This court has been fair and impartial and has dealt out justice always and it is a pleasure to try a case before such just Umpires. My Client has criticised this court in the heat of passion and debate. I don't know whether he is ashamed of it or not, BUT I AM."

Who Gained in the Re-Count.

The Independent has stated repeatedly in his speeches that not one of the candidates had gained anything in the re-count but Mr. Knott. In his speech in Tampa, September 5th, the Tribune quotes him: "Farris has not gained, Wood hasn't gained, Hudson hasn't gained, POOR OLD CATTIS didn't get any gain." This is in keeping with his statements on other subjects, and he could not have made the statement ignorant of facts.

Farris gained in Bradford, 4; in Duval, 14; in Hamilton, 9; in Jackson, 14; in Leon, 3; in Nassau, 6; in Putnam, 8; in St. Lucie, 8; in Santa Rosa, 9; in Suwannee, 7; in Volusia, 3. Wood gained in Duval, 12; in Hamilton, 15; in Holmes, 60; in Jackson, 12; in Leon, 4; in Nassau, 5; in Okaloosa, 3; in Putnam, 4; in St. Lucie, 10; in Santa Rosa, 22; in Suwannee, 4; in Sumter, 1.

Hudson gained in Duval, 4; in Bradford, 1; in Hamilton, 16; in Holmes, 5; in Jackson, 8; in Leon, 12; in Nassau, 1; in Okaloosa, 3; in Putnam, 6; in St. Johns, 3; in St. Lucie, 11; in Santa Rosa, 6; in Suwannee, 12; in Volusia, 7; in Madison, 26.

Catts gained in Duval, 4; in Hamilton, 3; in Leon, 5; in St. Lucie, 10; in Dade, 13.

Each candidate gained in some counties and lost in others, but Mr. Knott's net gain was naturally more than any other because most of the errors were made in second-choice votes, and as Mr. Knott received more second-choice votes than any other candidate, he naturally gained more in the recount.

That Mid-Night Thief.

The Independent Candidate has talked about a "mid-night thief of ballot boxes." He has said that at the proper time he and his detective would "produce the man." When was the "proper time?" Was it not when the case was before the Supreme Court? Wasn't that the time when he should have produced the man and brought him to justice? But he didn't appear. The Circuit Court in Madison has since convened and, again, Mr. Catts failed to appear or attempt any prosecution. The evidence produced in court by the officers who had custody of the ballot boxes in Madison testified that the ballots had been so protected that nobody could have gotten to them. Yet, because of the sentiment produced and the doubt that seemed to exist in some minds, concerning the Greenville precinct, Mr. Knott asked that the WHOLE COUNTY OF MADISON BE ELIMINATED. And in his majority over Mr. Catts, THERE IS NOT A SINGLE MADISON COUNTY VOTE.

That Mid-Night Thief in Hamilton.

The chief witness produced by Mr. Catts' counsel to prove fraud in Hamilton, swore that he saw two men in the court-house on a certain night, with a BALLOT BOX BETWEEN THEM, changing ballots. The "MID-NIGHT THIEVES" proved to be the Clerk of the Court and an accountant, who, with an adding machine between them, were checking up accounts. The ballot boxes were proved to be in another part of the building under the protection of the proper officer.

Those Railroad Lawyers.

The Independent Candidate has talked much and written more about Mr. Knott's railroad lawyers. This is based upon the fact that Mr. Adams has recently become a member of a law firm which represents a railroad. But Mr. Adams did not enter into active partnership with this firm until since the end of the contest. He had not worked a day, nor drawn one cent's salary from any railroad before nor during his service to Mr. Knott. But had there been any POSSIBLE ADVANTAGE in employing a railroad lawyer, Mr. Catts has availed himself of the privilege, as HE HAS HAD TWO RAILROAD LAWYERS, from the beginning of the contest; Mr. A. J. Henry, attorney for the S. A. L. and Mr. J. B. Hodges, attorney for the G. S. & F.

Church Affiliations.

Mr. Knott has been a consistent member of the Baptist church for thirty-five years. He has been a deacon and a trustee of the Tallahassee church and a trustee of the Baptist College at Lake City for many years. His family are members of the same church. We refer any who may be doubtful of such facts, to Dr. S. B. Rogers, Jacksonville, Dr. A. P. Montague, Pres. of Columbia College, Lake City, and Rev. Dean Adcock, pastor of the Baptist Church, Tallahassee, Florida.

No church, or corporation, faction or element has aided or backed him in the recent contest or the present campaign, financially or otherwise. This is not a fight between churches. It is a fight for the Democracy of Florida, and for the election of the Democratic Nominee for Governor, a man who has proved to be the choice of the people after an accurate and honest count of the ballots cast on the 6th of June.

That Catholic Money.

The statements made by the Independent candidate for Governor about Cardinal Gibbons' sending money into Florida for this campaign, is as false as his statement in Live Oak, Madison and Lake City that Mr. Knott broke down and cried and admitted fraud in Hayes Lewis' office. Hayes Lewis, a friend and supporter of the Independent, denied the whole story in the newspapers, and proved it altogether UNTRUE. Mr. Catts has varied the amount of this contribution so much that he stands self-condemned of perjury. In Jacksonville, it was \$10,000; in Palatka, \$5,000; in Lakeland, \$20,000; in Tampa, \$80,000; in Arcadia and on the East Coast it reached the enormous proportions of \$180,000.

That Twenty-Year Hand-Cuffing.

In his circulars and speeches, the Independent insults the intelligence of the people of Florida by telling them that if Mr. Knott is elected, our women and children will be handcuffed for TWENTY YEARS.

Who, but a set of unscrupulous and conscienceless politicians would ever associate the name of WILL KNOTT with such an outlandish proposition?
